SEO specialist with ~3 years of experience driving organic growth across multi-market digital platforms in Southeast Asia, Australia and the United States. Proven record scaling keyword rankings, running high-volume content pipelines and improving traffic through data-driven strategy — and building the automation behind it: programmatic content engines, n8n reporting pipelines and Next.js operational dashboards.

## PROFESSIONAL EXPERIENCE

### SEO Head — Adna Group

Oct 2025 — Mar 2026

- Owned end-to-end SEO strategy across 5 business units (AI, agriculture, e-commerce, education), building organic growth systems from 0 → 1.
- Built programmatic content engines for Gotrade and Tembuni — automated drafting, ZeroGPT originality and E-E-A-T gating, widget generation, internal linking and hands-off CMS publishing.
- Tembuni reached 4K clicks and 432K impressions in the first month the engine went live.
- Led keyword research, content optimization and local SEO across industries; established scalable frameworks for cross-industry expansion.

### SEO Specialist — Traveloka

Jul 2024 — Oct 2025

- Supported multi-market SEO across Singapore, Australia, the Philippines and Vietnam, improving targeted keyword rankings in every region.
- Researched 200+ keywords per month across 4 international markets, raising localized search relevance and visibility.
- Optimized 150+ content pieces monthly, driving organic traffic and engagement gains.
- Partnered with editorial, product and engineering teams on weekly content planning.

### Digital Marketing Associate — SIMAKARA

Sep 2023 — Sep 2024

- Executed performance-driven campaigns that increased brand visibility and user acquisition.
- Developed lead generation strategies that improved conversion rates and enrollment funnel performance.
- Built data-driven reporting systems that connected campaign spend to enrollment outcomes.

### SEO Marketer — DMB.SG

Jan 2023 — Jan 2024

- Improved SEO performance across 4 client accounts through technical audits and structured optimization.
- Built SEO roadmaps with clear KPIs and execution milestones.
- Supported paid acquisition on Meta and Google Ads; managed tracking across Analytics, Tag Manager and Ads.

## INTERNSHIPS

### SEO Specialist Intern — HashMicro

Aug 2022 — Jan 2023

- Optimized 120+ articles, contributing to a 23% traffic increase every 3 months and ~1M total visitors.
- Produced 10+ qualified leads per day via SEO content and conversion optimization.
- Ran daily technical audits alongside UI/UX, frontend and SEM teams.

### Digital Marketing Intern — Sariraya Co., Ltd.

Jun 2022 — Jun 2023

- Improved ad engagement and conversion rates by 25% through A/B testing on Facebook Ads.
- Generated ¥2,000,000 in monthly sales through integrated digital channels.

## SELECTED PROJECTS

#### financial-reporting-pipeline
